Refer to WOOD VENEER brochure.

Premium priced laminates within these lines are subject to an upcharge. For these all woodgrain laminates and laminates from other manufacturers such as Laminart or Abet, upcharge will apply and a quote is required.

COLORA

General Info

COLORA is a textured polyurethane material applied to MDF board in two steps. Although highly durable, COLORA surfaces are not as hard as laminates. It is applied to table tops, edges, bases and cabinets. COLORA is available in 15 standard colors. Custom color charge is \$385.00 NET per color mix.

Maintenance

Clean with mild soap and water. Do not use abrasive cleaners or wax.

STONE

General Info

Standard marble and granite varieties can be found in the STONE brochure. Prismatic will make available most stones specified by customer, often at no upcharge. Stone surfaces vary greatly in color, texture, pattern and quality. Marble in particular is seldom free of fine cracks, pits or slight imperfections. Using matching fill in these conditions is an acceptable industry practice. All stone surfaces have natural polish with honed option available. All stone tops are supplied with coordinated painted plywood subtops.

Maintenance

Clean with mild soap and water. Do not use abrasive cleaners. Regular waxing of marble (only) surfaces is recommended.

GLASS

General Info

Light scratches, waves or tiny bubbles are inherent to glass fabrication and to be expected. Vidro Painted Back Glass tops offer simple color (all standard 15 color colors) in Clear (CL) and Matte/Etched (MA) or digital image printed (Vidro Art). Custom color charge is \$750.00 NET per color.
